2021/2022 Partners36 Scholarships

Surrey Schools is pleased to offer a number of scholarship and bursary opportunities to its graduates, called Partners36 Scholarships. These scholarships are made possible through the contributions of individuals, corporations and community service organizations.

Students attending a district secondary school, a learning centre, SAIL or other District programs are eligible. See the general eligibility requirements below.

Due Date

Completed applications should be **submitted to the Scholarship Coordinator at your school** by the **due date designated by your school**. This is usually anytime between **February 15th and April 15th.**
For more information and your school's due date, contact your school scholarship coordinator.

General Eligibility Requirements

1. Applicants must be a Canadian citizen or have Permanent Resident status.

2. The candidate must be a graduate of the Surrey School District.

3. In order to receive the funds the candidate must be registered for a full course load at a post-secondary institution. This would be whatever is considered a full course load at the institution concerned, however, the committee may give special consideration to candidates whose circumstances are extraordinary.

4. Bursaries and scholarships will be announced at various times, and funds will be awarded when students provide proof of attendance at a recognized post-secondary institution. For our purposes, "post-secondary institution" shall be defined as follows:
   a. A recognized university
   b. Colleges offering transfer courses
   c. Institutions which prepare students for specific trades and vocations and which are recognized and supported by the government (eg. BCIT)

5. Applications for financial help to attend other institutions will be considered and awards may be granted at the discretion of the committee. A valid student card or a receipt for tuition fees is required as proof of registration.

6. The candidate's academic achievement will be based on a review of an official transcript of the candidate's academic record for grades 11 and 12.

7. Scholarships are classed as earnings and reportable to CRA. Recipients of a scholarship will be required to provide their social insurance number, if they have not already done so, prior to receiving their award.

8. Please note winners names and photos may be published in local newspapers.

9. The funds provided through these scholarships must be used for tuition, fees and books. Other post-secondary expenses are not covered through these bursaries.
