Regent Road Newsletters

It has come to our attention that not everyone seems to be receiving the notifications and newsletters from Regent Road. Regent has been sending them out using the MyEd system which contains all contacts for our students. As you can imagine, glitches do happen. We've decided to also include them in our NewsFlashes to make sure we are covering all our bases. Here are the links to the three that have

PAC information – Clayton/Regent Road

In consultation with our current PAC executive, myself, and Byron, it has been decided that the May 31st PAC meeting will solely be about closing out the current Clayton Elementary PAC. The current PAC will apply for the gaming grant on behalf of Regent Road Elementary. The Regent Road PAC will begin and be elected in September 2022. This was decided to ensure that all parents of Regent Road Elementary have equal opportunity to come forward for nominations to the executive and so that Regent Road's PAC can collaboratively set up their bylaws. Therefore, The May 31st PAC meeting will not include elections. This is an addendum from the minutes sent out yesterday.

Please attached the PAC meeting minutes from April 26th.
