### MISSION STATEMENT

At Enver Creek Secondary School we provide opportunities for success and excellence as we prepare students to become confident, thoughtful, and responsible members of the community.

Ms. A. Tessier, Principal

Ms. M. Larsen, Vice Principal

Mr. J. Anderson, Vice Principal

### PRINCIPAL'S MESSAGE

Welcome to the start of the 2022-2023 school year. I hope you all had a restful summer which included time with your loved ones and doing things that bring you joy. September is always an exciting time as we look forward to a new year full of opportunities and learning. Welcome back to our returning Cougars and a most sincere welcome to our new Enver Creek students! Our school staff are excited to be back and to work and learn with you. On a personal note, I would like to thank the Enver Creek community for their warm welcome and I look forward to working alongside our staff, students, families, and the PAC again this year.

Typically, at this time of the year families and students have many questions. Please be assured your child will be coming into a safe and caring Enver Creek environment. You can always contact us at the school through a phone call, email or please come in and make an appointment to speak with us in person. As we reach out with our first newsletter of the year, we hope to communicate the information that is necessary to get the school year started off positively. I hope you can find time as a family to go through this newsletter and discuss the information that is relevant to your child(ren).

At Enver Creek we are committed to providing rich, deep learning opportunities that develop the young people in our community as a whole: intellectually, socially and emotionally. To our students, I remind you that learning is an active, continuous process. Approach your daily learning with a positive mindset and attitude and I know our staff will be here to support you. To our parents and guardians, learning is a collaborative process which includes support from both the school and home. Please continue to stay connected and communicate with us at the school. Working together will provide the best opportunities for your children. I am confident that both our students and their families are in for a great year. Go Cougars!

### TIMETABLE CHANGES

Timetables are now available for all students through MyEdBC. Instructions for password resets can be found on the Counselling Department's Instagram page (@ec\_counselling). Please do not email or Teams message your counsellor regarding password resets. **Please review your timetable now.**

If you would like to request a change to your timetable, please ensure that your request meets the following criteria:

- There is a course in your schedule that has been completed in summer school
- There is a course in your schedule for which you have not completed the previous course (ex. a Math 11 and you have not completed a Math 10)
- There are two courses that are in the wrong order (ex. Physics 12 before Physics 11)
- Your timetable is missing one or more classes
- Your timetable is unbalanced (ex. too many academics or electives together)

If you meet the requirements above and require a change, complete the [2022/23 Course Change Request Form](https://tinyurl.com/yukwuyhz) online (<https://tinyurl.com/yukwuyhz>) or scan the QR code here:

**Deadline to submit your Course Request Change Form is Friday August 26th at 4:00pm.**

Your counsellor will review all submitted Course Change Request forms and respond to you via TEAMS. Counsellors will make every effort to accommodate changes for academic reasons. If you submitted an elective change request, please note that elective changes are not a priority, and your request will likely not be accommodated.

### NEW STUDENT REGISTRATION

All new registrations throughout Surrey Schools are done online. Please visit: <https://www.surreyschools.ca/page/1051/school-registration> for more information, to complete the registration process, and to upload the required documents.

## **COURSE SCHEDULES ONLINE!**

Enver Creek Secondary provides student schedules and report cards through the MyEducationBC (MyEdBC) Family Portal for Parents and Guardians.

Information on accessing the Family Portal can be found on the school website <https://www.surreyschools.ca/envercreek> under the "Resources" tab. If you already have a Family Portal Account, it will remain the same. If you are new to MyEducationBC and you have provided the school with a valid email address, that full email address will become your Login ID. After September 1, 2022, new users will receive an email from [sysadmin@MyEducationBC.ca](mailto:sysadmin@MyEducationBC.ca) with a temporary password to initialize their access to the Family Portal.

**IMPORTANT:** *Please ensure that you set up your account and make ALL password changes on a wired desktop computer and NOT on a wireless device (i.e, smartphones, iPads, laptops may NOT work).*

The Family Portal will allow you to access your child(ren)'s course schedule, report cards, attendance information and much more.

The portal can be accessed at:

<https://www.myeducation.gov.bc.ca/aspn/logon.do>

A mobile site is available at:

<https://www.myeducation.gov.bc.ca/aspn/logon.do?mobile=1>

In the Family Portal parents and guardians with an account can view:

- class attendance information
- contact information
- some classroom assessment information
- student schedules
- student course requests for next year
- school information
- published report cards
- a school web page that contains resources and information for parents and students

### **Security**

MyEdBC is a secure student information system used in most school districts in the province of BC. Security is guided by the rules and regulations of the School Act and Freedom of Information and Protection of Privacy Act (FOIPPA). If you have any questions or concerns, please contact your school principal.

Instructions for accessing the Family Portal are located on the school web page under the *Resources* tab: [MyEdBC Portal Information](#)

## **STAFF CHANGES**

As happens every year, Enver Creek has had some staffing changes for 2022-2023. We are pleased to welcome Mr. J. Bont (English), Mr. M. Dauda (Bus. Ed.), Mr. S. Dhasi (Math/Science), Mr. J. Flynn (BASES), Mr. J. Gill (Math), Ms. T. Kittelman (English), Ms. M. Kyle (Dance), Ms. J. Nagi (Math/SciMatics), Ms. D. Nathoo (French), Mr. A. Obukhov (Social Studies), Ms. D. Pabla (Counselling). We anticipate welcoming more new staff as the year progresses. Our school community has also said farewell to several teachers this past June. Our very best wishes go to Mr. Boomhower and Mr. Mitchell on their retirement. We also said goodbye to Ms. Acheson, Ms. Ardagh, Ms. Braga, Ms. Chau, Ms. Ebbett, Ms. Gaetz, Mr. Hatch, Mr. Huynh, Ms. Johal, Ms. Lamping, Ms. Pow, Ms. Skeete, Ms. Son, Ms. Stockli, Mr. Wiebe, Ms. Woods, and Ms. Yuen. These teachers have done wonderful things for our school and we wish them well in their new assignments and endeavours.

## **CAFETERIA SERVICE**

Our school has an excellent Hospitality Training program operated by our Chef. This program provides a valuable educational option for many of our students, and a convenient lunch service for students and staff. Menus are posted on the public display screens throughout the school.

Note that food service will not be available during the first week of school.

## **STUDENT AGENDA**

The Enver Creek Student Agenda contains information vital to success at Enver Creek and is also a useful tool for planning and organizing course work, homework and other activities. Students in Grades 8 will receive a printed agenda as well as access to an electronic version via our school app, EnverCreek2Go. Students in Grades 9, 10, 11 and 12 will receive the electronic version only, but can request a printed version if desired.

Parents and students are encouraged to review the *Student Code of Conduct* and our *Policies and Procedures*, found in the Student Handbook located on our school website under "Our School >> Code of Conduct". The following are excerpts from our Student Agenda:

### **Dress Regulations**

Students at Enver Creek are required to dress in a manner which is appropriate for a working and learning environment, and which is suited to the activity in which they are involved. The school's dress code is not intended to stifle freedom of expression.

Any clothing with drug, alcohol, sexually explicit or suggestive designs, profanity, threatening, derogatory or discriminating language is not suitable. Footwear must be worn at all times inside the building for reasons of health as well as appropriate grooming. Hats, hoods or other non-religious head coverings are not to be worn inside the building.

### **Enver Creek Digital Tools Guiding Philosophy**

Enver Creek recognizes that appropriate and responsible use of personal electronic devices enhances student learning. At no time should these devices interfere with an individual's right to privacy, and a safe and caring learning environment.

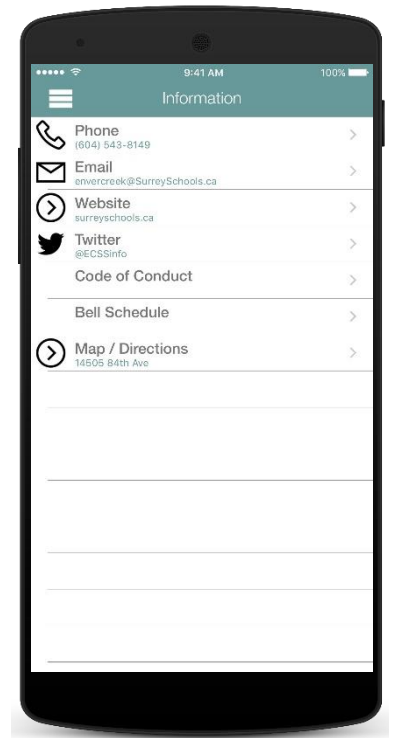

Guiding Principles:

- Classroom use is planned, purposeful, and educationally motivated as determined by the teacher.
- Students will observe respectful use within the school environment, including hallways and common areas.

Helpful Guidelines:

- The teacher determines when cell phones/digital devices are used in class.
- Any recording of any individuals without their permission will not be tolerated.
- Cell phones and digital devices can be used before school, lunch time and after school.

***We strongly advise students to leave valuable personal possessions at home (i.e., cell phones, AirPods). The school does not accept responsibility for any lost or stolen property.***

## **ENVER CREEK GENERAL SCHOOL FEES 2022 - 2023**

Instruction is provided free of charge to all students registered in a school's education program sufficient to meet the general requirements of graduation, and it shall provide free of charge any resource materials necessary to participate in that program. The School Act permits the charging of fees for certain items. In Surrey Secondary Schools, the following structure applies through Board Policy 9802 related to fees and any costs for students or families. Students will need to provide their own basic supplies and equipment for their own personal use such as paper, writing tools, calculators, notebooks, gym attire and sewing kits, and some other items needed for various electives. Workbooks may be provided to students on loan, or they may be purchased for personal use. Students can also elect to purchase other support materials (professional resources including practice examinations) through their teachers. Some courses such as Textiles and Woodwork provide students with the option of using different or better quality materials, which may be brought from home or purchased from the school at a cost. Some courses, such as AP (Advanced Placement), offer optional certifications or external examinations for which there are charges. If you wish to discuss the implications that these charges may have on your child, please contact our school administration.

## Why join the thousands of School Cash Online members?

School Cash Online is an online parent portal that offers a safe, fast and convenient way to pay for school activity fees. Why join?

- ✓ Membership is free!
- ✓ Pay for your child's school fees online. Anytime, anywhere.
- ✓ Stop sending money to school with your child.
- ✓ Get automatic email notifications about upcoming school fees and activities.
- ✓ Help your school reduce the amount of cash coming through school doors.

## Purchase these items and more online.

Use your computer, tablet or smartphone to register and pay online.

## Which payment methods are accepted?

### Credit Card

Pay with Visa or MasterCard on School Cash Online by entering your credit card number, CVV number (the three digits on the back of your card), card expiry date, and billing information.

### eCheck

An electronic version of a paper check used to make payments online. Anyone with a checking or savings account can pay by eCheck on School Cash Online.

### myWallet

An online wallet that can be loaded to hold funds and then used to pay for your child's fees on School Cash Online. myWallet allows you to allocate funds to pay for school fees at a later date.

## **REPLACEMENT CHARGES**

Students will be assessed a charge for lost or damaged school property (textbooks, Library books, uniforms, etc.) Charges will be based on the replacement cost of the item. Students are expected to return the same textbook they are issued so it is important to label your text with your full name and pupil number and avoid lending textbooks to other students.

## **MATERIALS CONSUMED IN A COURSE**

In courses that consume materials (e.g. art, cooking, woodworking, metalwork, science, music/band) schools can only charge for materials or goods that are surplus to what would be necessary for the student to meet the expected outcomes in a course. If a student is going beyond the basic requirements of a course and creating projects for personal use (e.g. creating a table from mahogany rather than plywood), then the student may bring their own materials from home or the cost for the materials for these enhanced projects may be recovered through a fee.

## **SCHOOL SUPPLIES**

As each student will have a different schedule and different teachers, we do not provide a list of required school supplies. If you wish to purchase some items prior to the start of school, the following are general supplies used for most classes:

3-ring binders (approximately 1 ½")  
Supply of loose-leaf paper  
Index dividers  
Pens, pencils, erasers  
USB flash drive

Ruler  
Glue Stick  
Pencil crayons  
Scissors

Please do not purchase a calculator until your child has spoken with their Mathematics teachers.

Teachers may have specific requirements for each class and will advise students of those items during the first week of school.

## **FIELD TRIPS**

Students may be charged a cost for expenses such as transportation, accommodation, meals, entrance fees and equipment rentals for optional field trips, or other extracurricular outings or events. Students will not be charged fees for any field studies/field trips where attendance is mandatory as part of a course or program.

## **MEDIA COVERAGE / WEBSITE CONSENT / WEB 2.0 TOOLS**

"Media / website consent form" and the "Web 2.0 Tools consent form" will be distributed by TAG teachers and will be required for all grade 8 and new students to Enver Creek Secondary School. These forms are to be completed once at the secondary school level and will be valid until graduation, unless a new form is submitted to change consent. Please note that continuing students will receive forms when information verification is requested in October, if no form is currently on file.

All Enver Creek students will have a school email address and internet access for their educational use.

## **ATTENDANCE – LATE TO SCHOOL/MISSED CLASSES**

There is a strong relationship between good attendance and success at school. Our students are expected to be at school on time and to attend classes punctually and regularly. Students struggling with chronic tardiness and truancy will work with their teachers, Administration and guardians to come up with a collaborative solution. Often students who are driven to school are late to their first class because of congestion created when many vehicles arrive at the same time. Parents who drop off students can help by planning to arrive well before classes begin and/or dropping off their students away from the main entrance.

**If your child will be absent from school, or will be arriving late or leaving early, we ask that a parent call our office at (604) 543-8149, before 9:00am if possible. Parents/guardians may leave a voicemail on our Absentee Line if unable to call during regular office hours. Students who need to leave before the end of the school day MUST sign out at the School Office, preferably with a signed note from a parent/guardian. If no note is provided, office staff will make a confirming phone call before students are dismissed.**

**For student safety reasons, we do ask that parents call the school office to make necessary arrangements should they have an emergent need to take their child(ren) out of class during the day.**

## **EXTENDED ABSENCES**

Each school year we are approached by an increasing number of parents who wish to take their child(ren) out of school for extended periods of time. Enver Creek Secondary does not sanction the absence of any student during the school year for any reason other than illness or bereavement. However, we understand that time with families is important and travel distances sometimes mean that school absences are unavoidable. Please be aware that any planned absence greater than five (5) school days requires the student to complete an Extended Absence Form and the parents must arrange to meet with the Vice Principal prior to departure to ensure a clear understanding of the academic impact of such absence and have an academic plan in place.

## **WE SHARE THE AIR ~ BE SCENT-AWARE**

Many Enver Creek students and staff members have significant allergies and sensitivities to perfumes, aftershaves and other strong fragrances.

Thank you for helping us contribute to a “SCENT SAFE” environment by refraining from wearing scented products.

## **PARKING LOT**

A reminder to please drive responsibly and slowly while in our school parking lot and around our school. We have over 1400 students, and we want them all to be safe. Parking lot congestion is a reality with the number of students we have. We do our best to keep traffic moving. Please do not wait for your children in the parking lot driving lanes. You may use our overflow parking lot (the exterior basketball court) after school. Please be patient and drop off or pick up your children well before the bell to avoid frustration and your child being late to class.

We have ample parking for Enver Creek staff and students. Students are reminded to park in designated areas only, on the south side of the parking lot closest to 84<sup>th</sup> Avenue.

## EXTRA-CURRICULAR ACTIVITIES - BEING INVOLVED!

# STUDENT CLUBS AND ACTIVITIES

Extra-curricular activities are a valuable part of the school's education program. The School Board provides guidelines to ensure that:

- an approval process is in place for extra-curricular activities,
- there is consistency in the formation and operation of extra-curricular activities, and
- consideration is given to the safety and well-being of students involved in extra-curricular activities.

Our school is proud to offer a range of school-based structured activities for students. These include athletic activities, clubs and intramurals that extend beyond normal school hours and operate under the supervision of a staff member or an approved adult supervisor.

Sports and athletic activities are competitive, individual or team activities that are sponsored by the school and governed by the Surrey Secondary Schools' Athletic Association. Clubs are structured groups of students who come together on a regular basis for a specifically defined and approved purpose. Intramurals are sports activities that take place in our gym at lunch time.

We anticipate that the following extra-curricular activities may be offered during the 2022-2023 school year. The activities offered will be subject to being able to secure an approved sponsor and will be based on the level of student interest.

**Athletics:** Badminton  
Basketball  
Cross-Country

Soccer  
Track & Field  
Ultimate

Volleyball  
Wrestling

**Clubs:** Bhangra  
Board Games  
Chess  
Dance Teams  
Drama

ECY4S – *Enver Creek Youth for Science*  
Intramurals  
Gardening  
Grad Council

Robotics  
Students' Council  
Weight Training  
Writing

If you require further information about any of the above extra-curricular activities, please contact the administrative staff.

## **GRAD INFORMATION**

### **Graduation Dinner/Dance**

The Grad Banquet will be held at Tsawwassen Springs on Wednesday, June 28, 2023.

### **Commencement**

The formal Commencement ceremony will be held at Bell Performing Arts Centre (6250 144 Street, Surrey) on Monday, June 12, 2023.

### **Grad Photos**

Grad photos are scheduled for January 3-10, 2023. Details are posted at [Artona.com](https://www.artona.com) and more information will be forthcoming.

# Class of 2023

### **Grad Council**

The Grad Council meeting day will be established in September. All Grade 12 students are welcome to attend and help with fundraising activities and various events. Join in with your ideas and get involved! Grad sponsor teachers are Ms. Pillay and Ms. Randhawa.

**To be a member of the Grad Class of 2023, a graduate must have a grad plan that enables them to graduate in a timely manner (i.e., by August of their Grad year).**

A large, celebratory graphic. At the top center is a black graduation cap with a gold tassel. Below it, the word "Congratulations!" is written in a large, elegant, black cursive font with gold outlines. The text is surrounded by several gold stars of varying sizes, some of which are connected to the cap by thin black lines, suggesting a trail of stars or a path to graduation.

## Parent/Student Notice

### LOCKERS – CONDITIONS OF USE

#### **RULES REGARDING STUDENT LOCKERS: CONDITIONS OF USE**

**Lockers are assigned to students for use during the school year on the following conditions:**

1. Students are responsible for the locker which is assigned to them and it is not to be used by any other person.
2. Only approved locks may be used on student lockers and the combination of the lock must be registered at the office.
3. The locker may only be used for the storage of books, school supplies and equipment, outerwear, school sports equipment and lunches.
4. No other material is permitted except with the written authority of the principal or vice principal.
5. The locker is to be kept clean and food removed on a regular basis.
6. Students are responsible for cleaning and removing all material from their locker at the end of the year or when they leave the school.
7. No illegal substances, weapons or other prohibited or offensive material may be placed in school lockers.
8. School officials and/or designates may search student lockers at any time and without prior notice in order to ensure compliance with the conditions of use and other school policies and rules. Searches by school officials may include the use of dog units to detect the presence of narcotics or other prohibited materials.
9. Permission to use the locker may be terminated when a student does not comply with the conditions of use or school policies or rules.
10. It is the responsibility of all members of the school community to keep our schools safe. If any student has reason to believe that any locker contains anything which would threaten the safety of other students, staff or any other person, that student is expected to immediately report the information to a teacher or administrator. The name of the student making such a report will be kept confidential.
