

Frank Hurt Clubs/Teams Descriptions 2023-2023

CLUBS/TEAMS	DESCRIPTION	SPONSORS
Anti-Oppression Collective	A collective of students working to talk, listen, educate, + act on social injustices/ all forms of discrimination/ oppression. Members of the AOC want to (un)learn oppressive beliefs and values, share + understand our experiences, + make concrete changes (individually and systemically) specifically at our school.	Ms. Scheuer
Beyond Black History Month Collective	A group of students, supported by educators, who educate and raise awareness about Black contributions, work to represent diverse Black communities, address both individual and systemic racism present in our school community, share the realities of being Black on these lands, and celebrate Black history and excellence in the past, present, and future.	Ms. Scheuer
Drag Racing Team	Drag racing is a motor sport where students learn about high performance automobiles.	Mr. Grewal

FH Model UN	At Frank Hurt Model UN, our goal is to educate students about conflicts around the world, spread awareness, and help them become better leaders. Model UN is a high school replica of the United Nations; it provides students with the opportunity to become ambassadors for their delegated country and help solve real-world problems by considering the policies and regulations of their home country. The goal is to encourage healthy debate to come together and develop prospective solutions.	Ms. Heijin Lee, Ms. Kaur, Mr. Southwell Advisor: Ms. Scheuer Student President: Aarna Arora
Chess Club	Along with building the school community, we aim to help students improve concentration, memory, attention span, improve problem solving skills, logical and critical thinking, and see the rewards of the hard work for mental health and academic problems.	Ms. Kaur and Ms. Somal
Go Cricket Club	This club aims to provide yearlong practice sessions to build stamina among Cricket players. Students will practice formal and informal practice sessions to polish their skills.	Ms. Sidhu and Ms. Kaur

Frank Hurt Math Academy	The Math Academy strives to positively impact the Frank Hurt community by helping students grow and polish their mathematical skills. We aim to create a safe space for students to ask for help and encourage them to solve challenging problems while preparing for CEMC and in-house math contests. We have about 5-10 student volunteers. This is a student planned and led club but math teachers supervise the entire time.	Mr. Bal (Math Ninjas), Ms. Kaur and Mr. Knight (Math Contests)
QSA @FH	A safe place for LGBTQIA+ students and allies, to watch queer-themed shows/movies, plan Pride events and discuss important queer issues.	Mr. Cupino
Student Council	Student-run organization that plans events throughout the school year, including dances, spirit weeks, and talent show.	Mr. Cupino and Ms. Parnell
