English 11 Alternate	Optional X Block Course	Alternate Elective	Alternate Elective	Alternate Elective

Do not pick the same as your original electives

Instructions Regarding Full Credit Summer School/Online School

- If the course is a **REQUIRED** course for graduation, you will have no choice but to select it. Put a note in the **Counsellor Notes** in the portal to let the counsellor know what course you are intending to take in summer school/online **and what you want instead** of that required course.
- If the course you plan to take in summer school/online is an elective (i.e. Spanish 11), select a different course (i.e. Woodwork 11 - not the one you are taking in summer school/online). You do not need to let your counsellor know in this case.
- If you do not get accepted into the summer school course, contact your counsellor immediately to try to get the course back into your Fraser Heights timetable. Be aware that this may not be possible and you will have to choose another course instead.
- Note: It is your responsibility to register for Summer School through Continuing Education.
