

Grade 11 Course Selection 2023-2024

Johnston Heights Secondary School

STUDENT NAME _____ STUDENT # _____

☐ I have applied for IB Diploma Programme and have already done course selection for IB courses.

Course Selection Process

1. Use the space below to **make a plan**, prior to entering your course selection online. This process should consider your skills, interests and goals. Discussing your choices at home is an important step before you enter your requests. A full set of course descriptions can be found on the Johnston Heights School website > About the school > Courses
2. Once you have written your choices, go to myeducation.gov.bc.ca to enter your course requests.

Once you have completed your online course selections, please also fill in this form.
Keep it with you as it will be collected during the week of January 16 – 20.

BC Graduation Program – You may use this list to determine what credits you are needing.

Students will need to earn a minimum of 80 credits to graduate. These 80 credits must consist of specific required courses as well as elective courses. It is important to review and choose your courses wisely. You need to ensure you have enough credits to meet graduation requirements. When you choose your electives, keep in mind your goals or plans for after high school graduation. Courses with insufficient enrollment will not be offered; therefore, it is important that students choose alternate electives with care. If you have any questions or concerns, feel free to speak to or make an appointment with a school counsellor.
