(c) Presentation: Canadian Tire Jumpstart Charities

Sukh Shergill, Manager of Community Schools Partnership and Amanda McIntosh, Community Schools Facilitator for Jumpstart Academy provided Trustees with information regarding the Jumpstart Academy sponsored by the Canadian Tire Jumpstart Charities.

Glenn McLean and Althea Evans, Regional Managers from Canadian Tire Jumpstart Charities and Doug Waldie, Dealer, Canadian Tire, Scott Road Store also provided Trustees with information on the partnership with the school district around the Jumpstart programs.

Jumpstart has been involved with our District for more than seven years. Our partnership began in 2005 with Jumpstart paying the direct costs for hundreds of our students to participate in various community sports. They continue this support today but have also expanded their involvement, giving more than \$90,000 to our Jumpstart Academy each year since 2010. We want to thank Canadian Tire, their dealers and employees, their customers and everyone at Jumpstart Charities for their support of students in the Surrey School District. Their partnership is a wonderful example of how business, community and the district can, when working together, create programs that have a real and lifelong impact on students.

Currently there is a Jumpstart Academy program in 25 elementary schools in the district. They provide two sessions per year and provide approximately 1,500 students each year with an opportunity to participate in an after school recreational program. The program is offered once or twice per week for 2 hours. Students are taught sports fundamentals in a variety of sports. The program can accommodate a maximum of 30 students per school. Students are chosen by school staff to focus on financially disadvantaged students. The program is offered at no cost to the students.

On behalf of the Board, Chairperson McNally presented a plaque of recognition to the Canadian Tire Jumpstart Charities and thanked them for their support and commitment to students in Surrey.

The Canadian Tire representatives also presented a plaque of appreciation to the Board and Liane Ricou, Manager, Business Development Services acknowledging the community partnership and the school district's support.
