

# FORTIS BC ENERGY CHAMPS

## PROGRAM OVERVIEW

The BC Lions FortisBC Energy Champions program is designed specifically for elementary school students (Kindergarden to Grade 7) to emphasize the importance of responsible energy practices.

## PROGRAM AGENDA

Energy Champions help inspire elementary school students to take an active interest in their environment. During the 45-minute interactive assembly, BC Lions players discuss the positive choices youth can make to affect their environment. These discussions are interspersed with energetic activities that get students hearts pumping and minds racing.
