About Student Leadership for Change (SLC)

- SLC is a comprehensive online library of eco-social teaching and learning resources.
- SLC helps students understand and connect global sustainability issues to local solutions by taking specific, measurable actions as individuals and with their classmates and family.
- SLC fosters the development of student leadership skills through research, reflection, action, and critical thinking.
- SLC is also available in French.

SLC helps students to develop the following core competencies:

-  Creative/Critical Thinking
-  Communication
-  Personal & Social Responsibility

SLC includes the following tools to assess the competencies:

-  SLC Presentation Marking Rubric
-  Peer Evaluation Sheet
-  Self-Evaluation Survey

BTCEA's Latest Resources, Workshops and Opportunities

Explore the **SUSTAINABLE DEVELOPMENT GOALS (SDG) UNIT**

- Engage your students in education and action surrounding the UN's SDGs through easy-to-use Student Primers, experiential and project-based Action Packs, and exciting Lesson Plans!
- With learning resources on health, biodiversity, climate change, social justice, and more, the SDG Unit can connect almost any course or subject!

https://slc.bethechangeearthalliance.org/sdg_unit

Book a **WORKSHOP OR HABITAT CLEAN-UP**

- Two-part **WATER IS LIFE** workshop that educates and empowers students to take action on freshwater issues and climate change! The class will use our Action Tracker to see how much CO2 emissions their actions reduced!
- **CLIMATE AMBASSADOR** workshop that engages students in developing a compelling personal story to call their community to take action on climate change and the SDGs!
- **HABITAT CLEAN-UPS** where students can learn experientially and have fun while cleaning up a local park or shoreline!
