

Program Outline

The Building Service Worker (BSW) Certificate program provides the working knowledge required to apply for janitorial, custodial and caretaking positions in a variety of workplace settings.

Upon successful completion of the 5-week program, students will receive BSW certification. All students who successfully complete the program will also be offered a job interview for possible employment within the Surrey School District.

Career Opportunities

Once a student has completed the Building Service Worker program offered at Surrey Community College, students will be qualified to work at:

- School districts
- Hospitals
- Care Homes
- Anywhere custodians are needed

Successful graduates who apply to the district are guaranteed an interview but must be successful in the interview to be hired.

Admission Requirements:

Students wishing to apply for the Building Service Worker Program must meet the following entrance requirements:
