Dear Clayton Elementary Parents and Guardians,

In order to ensure student safety, in consultation with the staff, I feel it is best to make the staff parking lot as an “out of bounds” zone for students. I appreciate the fact that it is an inconvenience especially for those who have children located at the back of the school but at the same time it is my responsibility to ensure student safety.

I have been meeting with students in their classes to talk about the changes to boundaries and discussing the rules and routines. The students and I have practiced going around and familiarizing ourselves with the new changes. I have learned a lot by talking to the students and am enjoying working with them!

It is my hope you can support the school in making this change. This change allows us to further ensure student safety, which is paramount to all of us collectively.

Sincerely,
Mrs. R. Bains
