## Principal’s Message:

Dear Clayton Elementary Parents and Guardians,

Happy New Year to all our families! 2017 sure did get off to a cold, slippery start! Happy to see all the weather woes behind us.

I appreciate everyone’s extra care and patience as we got through the slippery ice.

The students started the year with an invigorating tap dancing presentation presented by Tapco. Our students enjoyed seeing the school aged performers bring such wonderful talent to Clayton Elementary.

Second term is in full swing and the children are busy learning and exploring various things in their classroom. Many teachers are using digital portfolios to demonstrate your child’s learning and progress. The portfolios are a great conversation piece and provide a platform to discuss *“how was school today?”* Our second formal reporting period will be upon us soon. If you have questions regarding your child’s progress now would be a good time to connect with your child’s teacher.

*“Write it on your heart that every day is the best day in the year.”*

~ Ralph Waldo Emerson.

## Earthquake Preparedness

Thank you to all families who have ordered the Comfort PAC for Earthquake Preparedness. **All students must** have an individual kit with sufficient supplies for 72 hours.

**A kit must be provided for every child.** If you have not ordered through EduPac (order extension due: February 1<sup>st</sup>) please make sure you provide a kit for your child by: **February 15<sup>th</sup>.**

All kits will be stored in the storage bins located on the school grounds by division number. At the end of the year the kits will be kept at the school and will be rolled over to the next division the following year. If a child leaves the school the kit will be returned to the child.
