Dear Parents and Families,

We have made it to the end of the first week of school! We were excited to see so many of our students come back to school. We've missed you. We spent this week preparing for the return to school and organizing learning groups for next week. This included Health and Safety Orientations and getting accurate numbers of returning students who and numbers of those choosing the Blended Learning Option. Thank you for your patience as we worked to figure everything out. If you are on the waitlist for either option you will receive more information next week. If you chose the Blended Learning Option you should have received an email yesterday.

We are now ready to welcome students in their learning groups to school on Monday. Our schedule on Monday will have a staggered start. This is only for this Monday, September 14, 2020. Starting on Tuesday our regular bell schedule starts.

Monday, September 14th, 2020

8:30 - Grade 1 – 3 Start

8:45 – 10:45 - Kindergarten Group A

9:00 – Grade 4-7 Start

12:15 – 2:15 - Kindergarten Group B

2:30 – School Ends for all 1 – 7 students

Students will meet on the field according to the information below. This will allow students to come to school in learning groups (aka cohorts). These cohorts are the learning groups that students will stay in. Each group of two teachers is a cohort. Students can move between these two teachers' classes. Once students are in a cohort they can not move to another. We will have your child's specific teacher finalized early next week. Please note, at this time we are unable to accept any more parent requests.

Kindergarten Families. Please refer to the gradual entry schedule you already received.
