SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

MEAL PROGRAM SUPPORTERS

THANK YOU to all of our donors who provide their ongoing support for our school-based meal program. Contributions from many non-profit organizations, local businesses, community groups, and individuals make an enormously positive impact during challenging times. The continuation of the meal program during the pandemic is a priority for our district. Students have come to rely on our meal program, and because of generous, caring and compassionate donors, we are able to continue providing nutritious meals for the students who wouldn't otherwise have access. Every dollar donated continues to make a difference in the lives of Surrey students.

VANCOUVER SUN CHILDREN'S FUND

\$27,000 was generously donated to help us support our students and their families during the COVID-19 pandemic. This donation will be utilized to cover the emergency costs of food, clothing and other basic necessities when there is no other way to provide these items to students during this time of uncertainty.
