## SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

### COMMUNITY BACKPACK DONORS

Over **1,700** supply filled backpacks have been generously donated by several community organizations. This includes organizations such as TELUS Community Ambassadors, RBC Foundation, Hannah and Amelia's Angels Foundation, Islamic Relief Canada, The Saheli Foundation, and many others. These donated backpacks help ensure that students have the necessary materials to support academic learning throughout the year. Thank you to all who have supported and donated!

### BREAKFAST CLUB OF CANADA

**\$42,950** has been graciously donated to support 26 breakfast programs in the district. The breakfast programs provide our learners with a healthy morning meal that allows them to thrive, both in and out, of the classroom.

We also received **\$65,000** in funding to support kitchen equipment needs and lunch programs at three elementary school sites. This support was possible through the Minister of Agriculture and Agri-Food.

### CANADIAN TIRE JUMPSTART

A big thank you to Canadian Tire Jumpstart Charities for their generous donation of **\$10,000** in support of Jumpstart Academy Summer Camps. These camps allowed students to participate in activities that increased their physical wellness and fundamental movements. Jumpstart Academy allows a diverse population of participants in grades K-7 to increase their fundamental movement skills in a fun, safe and inclusive environment. Over 250 students across the district participated in Jumpstart Academy summer camps.

## FIRST WEST FOUNDATION

Thank you to the First West Foundation for supporting the Sticks & Stars after-school program with a **\$20,000** grant. The community grant program will allow 75 youth to participate in an engaging, fun, and inclusive program throughout the school year. Sticks & Stars helps students learn about the importance of physical activity and wellness, develop leadership skills and focus on STEM based learning.

## RBC FOUNDATION

RBC Foundation has generously donated **\$25,000** to the REACH program, as well as **\$25,000** to the Bike Repair pre-employment program. Both of these programs prepare students to confidently apply their knowledge, skills and abilities towards community building and employment opportunities.

## RIGHT TO PLAY

**\$16,000** has been donated by Right To Play to continue supporting the PLAY program at Beaver Creek, while also expanding it to Tamanawis Secondary. We are proud to partner with Right to Play to deliver this important after school program that offers our learners the opportunity to build healthy foundational habits/skills through interactive and engaging activities.
