

Grade 6 & 7 Cookbook Fundraiser

Dear Parents and Guardians,

The Grade 6's & 7's are creating a cookbook to be sold as a fundraiser for their camp this year. We are having the books created through the school district printers. It will be a soft cover, coil bound cookbook.

Our goal is to have this recipe book ready for delivery in May. This gives us plenty of time to collect recipes, have the students complete the formatting of the book, and send it off for printing.

We will be sending the order form home once we know how many pages the book will be and how much it will cost.

Please send us your recipes. You may send one or more recipes, and at least 1 will make it into the book. Recipes can be submitted by email to claytoncookbookrecipes@gmail.com or by bringing a typed or photocopied version of the recipe to the school office.

Recipes should fall into the following categories:

Appetizers/beverages

Cookies/Candy

Soups/salads

Cakes/Desserts

Vegetables/side dishes

Main dishes

Breads/loaves/muffins

Gluten Free

Vegetarian

Please have the recipes submitted by March 16, 2018.

This is a wonderful way to commemorate some of your family's favourite recipes. Don't forget to include your name, the names your child/children, and their grade.

Feel free to contact me with any questions.
