### Principal's Message:

April was a month full of new experiences and activities at Ellendale! The students had the opportunity to try the sport of curling at the school. Our intermediate students especially enjoyed this opportunity. In keeping with the theme of keeping our bodies and minds active the students learned some new Yoga moves and poses. Students learned to stretch, relax and sync their body to their mind. A big thank you to our PAC for supporting all these amazing opportunities for our students.

May is off to a great start with the students exploring various science topics and an opportunity to have some hands-on learning through workshops.

A big thank you to Ms. Florio, Ms. Deezar and all our students for their efforts with the running club. Way to go, for going out, running and giving it your all!

Teachers are now busy coaching students for specific track events. Everyone is working hard to gear up for the Track meet coming up on May 29<sup>th</sup> at Bear Creek Park. We hope to see our Ellendale community come out to the Track Meet to support our students! Ellendale PAC will also be hosting the concession, please contact our PAC if you can come out and support them or if you have vendor connections such as

Pizza, Samosa's or other items suitable for concession.

Sincerely,  
Mrs. R. Bains

### Division 6's Dancing Brings the House Down at the Bell Center

Ms. Davies and Ms. Meyer's grade one students danced their hearts out at the Bell Center. The crowd went wild with excitement as our young grade one's showed their best steps to the crowd with pure confidence! Thank you grade one's and teachers for representing Ellendale!
