

Dear Parents/Guardians of Grade 6&7 Students:

February 5, 2018

We are halfway through the school year and before we know it, the field trip/camp to Camp Summit for our Grade 6 & 7 students will be here! With this in mind, we will soon be asking the students for their commitment to this event in the form of a \$20.00 deposit.

With the work of some amazing parents and the students' fundraising efforts this year, we currently have raised \$4792.56. We estimate the camp trip and other year end activities to cost approx. \$10,000.00. It will be difficult to raise the remaining approximately \$5000.00 without your help. The grade 7 committee has plans for continued fundraising efforts into the spring. We require all Grade 6&7 parents and students to commit to helping with fundraising so we each don't have to pay a large sum out of pocket.

There are also the planning pieces for Graduation and year books that we need some parents to take the lead with these. **We will be hosting a meeting on February 8th at 5:30pm** to discuss this in more details and sign up for projects and fundraising.

Please complete the form and return to your child's teacher by Feb. 7th.

Student name: _____

- I will be at the meeting on February 8th at 5:30pm
- I am unable to attend and wish to sign up to help, please contact me with more details.
- My child will not be attending camp.
