Feb. 11, 2021

To the Parents/Gaurdians of Martha Currie,

Many of you know that the fire alarm went off before school started this morning. I just wanted to ensure our community that everybody and everything is safe. The firefighters let us know that a faulty heat sensor was the source of the alarm. We have already contacted the District about coming to fix the sensor. We hope it won't be a problem again before it gets fixed, but we will treat it as a full drill if it does happen again. At this point, it is a regular school day.

Thank you to the parents who separated yourselves while we waited to get clearance. We continue to always keep COVID-safety as a priority.

Sincerely,
Mr. B. Samra
(Principal)
