

Teaching the next generation of Energy Leaders

Virtual classroom presentations

Join us for a virtual presentation introducing energy concepts and an exploration of how we can all save energy. Choose from two curriculum-connected presentations:

Grade 4 - energy transformations, the environment, conservation, safety and social responsibility

Grade 7 - climate change impacts and solutions, sustainability, conservation, safety and social responsibility

How to sign up

Email barry@kidnetic.ca to schedule a 20 minute telephone call to review presentation topics and confirm a date and time for the presentation.

Once registered, we'll send you a video link to access the presentation.
