Dear Superintendent, Principal or School Partner:

**Re: School Immunizations for the 2020/21 School Year**

Public Health will commence the School Immunization Program for this year’s Grade 6 and 9 students in January 2021.

Public Health will also provide catch-up immunizations to students who did not complete their immunizations last school year or over the summer.

Please share this information with school personnel and parents.

If you or your staff have questions, please contact the manager of your local public health unit.

Sincerely,

Judi Mussenden  
 Director, Population & Public Health
