

Clayton Elementary PAC

**Request for volunteers**

The school PAC is looking at hosting another Fun Fair this spring! An evening event full of fun and games for the families of Clayton Elementary and the Clayton community.

Money raised at the event will be used to benefit the students with extracurricular fun, buses for educational field trips, and/or replacing equipment, whether it be technology or gym equipment to keep the fit and healthy.

In order for this event to be a success we are looking for volunteers to help with the numerous things that need to be done. Such as helping with prep of themed baskets, collecting raffle prizes from local vendors, helping find vendors for the craft fair, making cakes for the cakewalk, setting up and taking down at the fair, helping man different stations during the fair, and other odd and ends that need to be done.

In the past this was a huge success let's make it happen again! Below is a form requesting volunteers to be filled out and returned to the school so we can determine whether we have the help to make this work.

Thank you in advance

Sincerely,  
Karen Sidhu  
PAC President
