School Property

People who are dropping off and picking up students, we realize this year has been challenging, there is light at the end of the tunnel. Please wear your mask, and practice social distancing. Please don't visit with your friends, if it is an intermediate student please have them meet you off site.

Families should be leaving the school property promptly after picking up their child. Please do not stay to play or socialize.

February is Kindness Month

Every year we ask the students to do three acts of kindness; one for the community, one for someone close to them and one for themselves.

For the community, classes made valentines cards to send to seniors living in care homes. "Send a Senior some Love" cards were sent to Vancouver, Surrey, Chilliwack, Richmond, Agassiz and Delta.

Perhaps your child has done something unexpectedly around the house for you as a random act of kindness? If they have, be sure to pass it on and do something kind for a friend or neighbor.

Lastly, make sure you are taking time to care for yourself. Relaxation, exercise, and eating mindfully are all ways we can be kind to ourselves.
