It is important to review and choose your courses wisely. When you choose your electives, keep in mind your goals or plans for after high school graduation. Since selecting elective courses is such an important process, it should be carried out in consultation with your parents. Courses with insufficient enrollment will not be offered; therefore it is important that students choose alternate electives with care. If you have any questions or concerns, feel free to speak to or make an appointment with a school counsellor.

ONCE YOU HAVE ENTERED YOUR REQUESTS, RETURN THIS SHEET TO YOUR C BLOCK TEACHER.

The Other Side of the Page

Welcome to the other side of the page. On this side, you will find details to help you complete your course requests. In previous years, we would have an assembly and then bring students to a lab to enter their choices. Because of the pandemic, course selection will now be done completely online.

Step 1: Watch our Course Selection Video. This will be done in class, but also can be found at <https://www.surreyschools.ca/schools/johnht/About/Courses/Pages/default.aspx> or [here](#).

Step 2: Use the other side of this page to make your selections.

Many options are self explanatory (i.e. Band vs. Dance), but some will require you to do some homework. Talking to your family will really help you select correctly.

Remember that you will be spending 125 hours in each of the classes you choose – choose wisely.

All Course Selection information, including the Grade 10 Course Selection Book can be found at <https://www.surreyschools.ca/schools/johnht/About/Courses/Pages/default.aspx> or [here](#).

Step 3: Share your choices with your family. If you have questions, see your teachers, or email your counsellor.

Step 4: Go to MyEdBC [here](#) (or <https://myeducation.gov.bc.ca/aspen/logon.do>)

Your Username will be your student number. Your password is whatever you set it last year. If you can't remember, you can reset the password and it will be sent via email. If this is still not working, go [here](#) or <https://www.surreyschools.ca/schools/johnht/About/Courses/Pages/default.aspx>

Note 1: There are situations where your specific needs are different than what is listed on the sheet. Perhaps you took a course in Summer School, or need a specific program not listed. In these cases, when you enter your details in MyEdBC, there will be a Notes field. Counsellors will read these notes and make adjustments as needed.

Note 2: Changes to requests via MyEdBC will be open until February 12th. After that date, course changes will be limited and many courses will have waitlists. It is important that you make accurate decisions prior to February 12th.

Note 3: Finished? **Return this sheet to your C Block teacher.**
