The Other Side of the Page

Welcome to the other side of the page. On this side, you will find details to help you complete your course requests. In previous years, we would have an assembly and then bring students to a lab to enter their choices. Because of the pandemic, course selection will now be done completely online.

Step 1: Watch our Course Selection Video. This will be done in class, but also can be found at <https://www.surreyschools.ca/schools/johnht/About/Courses/Pages/default.aspx> or [here](#).

Step 2: Use the other side of this page to make your selections.

Many options are self explanatory (i.e. Band vs. Dance), but some will require you to do some homework. Talking to your family will really help you select correctly.

Remember that you will be spending 125 hours in each of the classes you choose – choose wisely.

All Course Selection information, including the Grade 9 Course Selection Book can be found at <https://www.surreyschools.ca/schools/johnht/About/Courses/Pages/default.aspx> or [here](#).

Step 3: Share your choices with your family. If you have questions, see your teachers, or email your counsellor.

If you can't remember, you can reset the password and it will be sent via email. If this is still not working, go [here](#) or <https://www.surreyschools.ca/schools/johnht/About/Courses/Pages/default.aspx>

Note 1: There are situations where your specific needs are different than what is listed on the sheet. Perhaps you took a course in Summer School, or need a specific program not listed. In these cases, when you enter your details in MyEdBC, there will be a **Notes** section at the bottom for you to explain your specific need. Counsellors will read these notes and make adjustments as needed.

Note 2: Changes to requests via MyEdBC will be open until February 24th . After that date, course changes will be limited and many courses will have waitlists. It is important that you make accurate decisions prior to February 24th .

Note 3: Finished? **Return this sheet to you're A Block teacher.**
