

Some of you may remember ordering hot lunch through MunchaLunch, some of you who are new to our school, please read below for further information:

MunchaLunch is an online ordering system for parents to utilize - you can pay via cheque or credit card. If you would prefer to pay by cash, or paper order form, you can do that in person at the office, we will have order forms available there. The paper forms will still be due by Friday, Jan 14.

In order to use MunchaLunch, you must Register and then add a child - please remember to select a grade and teacher/division. The notice: "Your Lunch Admin orders food and prints reports 7 days in advance" just means that we need orders in 7 days before the Hot Lunch date, which would be Friday, Jan 14 this time. Once that's done, you can select Order Lunch (and in the future "Fundraisers" will be an option as well), Select the child you'd like to order for, and once completed you will submit for that child and have a chance to submit an order for another child. Otherwise you go to the checkout, confirm and select payment. Ordering cut off will be Friday, Jan 14. Any orders that have not been paid by Jan 14 will not be processed.

"Oh My Tea" is our Hot lunch this time around, and a just a reminder that their portion sizes are their regular size that you see in store - they have decided to let us order their normal lunch items at cost and each lunch is a healthy, delicious meal! Their most popular item in store is the Chicken & Spring Roll, but they are also known for their amazing Bubble Tea!
