## SD 36 WOULD LIKE TO SAY THANK YOU TO THESE GENEROUS DONORS...

### ASSAI BC (AFTER SCHOOL SPORTS AND ARTS INITIATIVE)

Over **2,200** students from across the District will participate in sport- and art-based programming. These programs provide enriched opportunities which help students develop skills that contribute to healthy living through creative thinking and physical activity.

### FARM TO SCHOOL BC

Thank you Farm to School BC for your donation towards **four school gardens** at Mary Jane Shannon, Simon Cunningham, Royal Heights and East Kensington Elementary. This contribution will provide students at these four schools with hands-on learning opportunities related to gardening, community and connection.

### STAND FOUNDATION

Thanks to a **\$10,000** donation from the STAND Foundation, our District will be able to continue operating the STAND Foundation employment training program at five of our Learning Centres. This program provides over 45 students with the opportunity to gain important pre-employment certifications and skills, which will assist them as they transition from secondary school to post-secondary and employment.

## URBAN SYSTEMS

Thank you for your **\$12,000** donation. We are thrilled to continue our partnership with Urban Systems, which helps to provide the BLAST and Attendance Matters breakfast program at K.B. Woodward Elementary. BLAST is an enriching and engaging after school program at K.B. Woodward that offers our learners the opportunity to develop important skills such as physical literacy, leadership, and healthy communication development.

## MR. JASON WUBS & MRS. DEBORAH WUBS

**\$60,000** has been generously donated by Mr. & Mrs. Wubs to support two schools in Surrey. Old Yale Road Elementary and Forsyth Road Elementary will be beneficiaries of this compassionate generosity. The funds provided will help support the schools in upgrading school-based technologies, literacy materials, equipment, and allow the schools to support emergency needs at their respective site.
