Re: Meet the Teacher Night

September 21, 2021

Dear Families,

To comply with Provincial Health Guidelines our annual Meet the Teacher night will shift from a drop-in event to one where families sign-up for a time slot. This will limit the number of adults in classrooms. Each time slot will be capped at 1/3 of the students in a given class.

The event will take place on Wednesday, September 29 from 4:45pm to 6:00pm.

Parents/guardians may call the main-office to sign-up for one of three times with their child's teacher:

- 4:45-5:05pm
- 5:10-5:30pm
- 5:35-5:55pm

We ask that parents/guardians enter classrooms through exterior doors. Once in the classroom, you will be requested to conduct a health-check, sign-in, and wash your hands. All visitors must wear a face mask inside the school.

Meet the Teacher Night is an informal occasion for you to meet your child's teacher and get some introductory information about the classroom in a small group. For detailed discussions about your child's progress please make an individual appointment with their teacher.

Sincerely,

Chris Bobrownik
Principal
