Dear Clayton families,

As you may or not be aware, there was an accident this morning in our parking lot between two parents. Emergency procedures were followed and everyone has been looked after and is okay. The students have been briefed about what happened as there were many students on the playground at the time and we want them to have the correct information. All students are safe and no student was injured.

We respectfully ask that parents do not post any pictures of the accident they may have taken on any social media site so we can protect the privacy of those involved.

Please continue to follow the rules of the parking lot: go slow, be aware, and have patience for each other.

Thank you,

Lauretta Fenrick
Principal
