Fall Frenzy: IT'S BACK!! Fall Frenzy is back at Clayton again this year.

Fall Frenzy is a fun physical fitness program that is run through Community Schools Partnership. It teaches a variety of physical skills and games and runs at lunchtime (11:40-12:30) for up to 30 students per week. Each group of students goes every lunch time for one week. Students are in the gym for the whole time and then eat their lunch at 12:30 when they return to class. We will have about 7 weeks of programming, so most students from Grades 2-7 should have a chance at a week of fun in the gym at lunch with some great trainers and facilitator. Students truly enjoyed having these activities to do at lunchtime.

Here is the full schedule:

Oct 22-26 - Grade 6/7 Male Identifying Students

Student information forms and updates:

We are still waiting on some of the student information forms to be returned to the office. Those forms contain vital information for us to know who and how to contact you in the case of an emergency and for all communications between home and school. Also, it is vital that any changes to your contact information be given to the office as soon as the changes get made. It can be worrisome for us and for your child when we attempt to contact you and the number(s) we have are no longer in service. Thank you for your cooperation on this.

We have one goal: To be a kind, cooperative Cougar Family!!
