Lunch Lady – New Hot Lunch program for 2019-2020

As was discussed and voted on at the May PAC meeting, we are changing how we do hot lunch for next year. Simply, we are using an outside company and hot lunch will be available on a weekly basis for those who would like to order. Attached at the bottom of this newsletter is a letter explaining the Lunch Lady Program. Go to www.lunchlady.ca for more information. We need some of your input, however. Please go to the following survey to give your input:

Please join us outside by the undercover area for coffee/tea and a treat to let us say THANK-YOU! for all of your support this year.

GAMES DAY

June 14th

Games day is coming up on Friday, June 14th. Parents are welcome to attend and enjoy the fun with their children. Students will be in multi-age teams made up from their school family groups and we encourage students to wear their family colours. Please make sure students' water bottles are clearly labeled with their names. Stations will be both inside and outside and students need to be prepared for the weather conditions that day.

The day begins with attendance in regular classrooms and a quick team cheer warm-up. Parents staying for the day are welcome to join students on the back field at 8:55 for team cheers. After the cheers, students will be sent to their starting station and will rotate through 12 stations in ten-minute intervals until lunchtime. Lunch will be eaten in classrooms (families are welcome to join). It is a hot lunch day for those that ordered. After lunch activities include grade group running races, team challenges, the traditional Grade 7 egg toss and ending the day with grade group games.

Dear Parents/Guardians:

Each school year, we provide parents with an outline of the projected fees that are expected for the following year. We appreciate all the support our parents provide to ensure our students have a successful year. In addition to providing the school supplies itemized on a grade list, periodically parents are asked for monies to cover specific items and special events.

As per School Board Policy No. 9802—School Fees: The Board shall provide instruction free of charge to all students registered in a school's education program sufficient to meet the general requirements for graduation, and it shall provide free of charge any resource materials necessary to participate in that program. The Board may, however, charge fees for optional educational resource materials which come into the possession of the student.

School Supplies:

This year we will be offering the option of school wide pre-ordered supply kits through School Start (forms and online ordering will be available no later than June 14). Students in grades 1-7 will also receive a supply list at the end of this school year should parents choose not to pre-order school supplies.

Kindergarten Supplies:

In Kindergarten all supplies are shared in the classroom. The school purchases the supplies in bulk for all kindergarten students. We ask that Kindergarten parents pay \$40.00 toward the purchase of the supplies.

Student Planners:

We recommend that all students in grades 1-7 purchase a Clayton Elementary planner at a cost of **\$5.00**. We find this to be an excellent tool for facilitating home/school communication, as well as for developing our students' organizational skills. Using our school planner is optional, as a parent may purchase their own.

Music

Musical Instruments: Grade 3-5 students may learn to play the recorder. Students will have the option of purchasing one through our music teacher for \$5 or receiving one on loan from the school. Also, our Grade 7 students who opt for/take band either purchase or rent an instrument. Costs vary depending on the instrument.

Please note - No student will be denied the opportunity to participate in any school activity due to the inability to pay. Please contact the Principal should you require any financial assistance.
