First People in Residence Week

We had an AMAZING week of learning with our two special guests – Lee Provost who is from the Sts'sailes and Sto:lo nation and Kayliegh Leon who is from the Katzie First Nation. Please ask your child what they learned and experienced this week. At our closing assembly today, we passed around the microphone for random students to share what they learned, and I was so impressed and proud of what our students took in. Indigenous culture is so rich in tradition, it was honour for us to learn from these guests. Thank you to Ms Baylie's students for singing, Ms. Bodner's class, Ms Van Dop's class, Ms. Barabash's class, and Ms. Van's class for presenting at our opening and closing assemblies. Thank you to Ms. Bodner for being instrumental in organizing this week for our school.

Track Attack

Track attack is for our Grades 3-7 students. We will be learning and practicing track and field events all together on Thursdays and Fridays during the school day. After Track attack, students will be chosen to represent the school in our district track and field meet. Those students will be invited to practices for their

events according to a schedule. These practices will be either before school, at lunch, or after school. More information to come.

For Track Attack days, please make sure students are wearing proper runners.

Thursdays and Fridays – April 21, 22, 28, 29, May 5, 12, 13. Thank you to Ms. Kylie for organizing this for our school.

Have a wonderful long weekend! Happy Easter and a wonderful Vaisakhi for all who celebrate!
