NEW District Early Dismissal dates:
The district has scheduled three more early dismissal dates to help our staff with Health and Safety meetings and updates. We will be having early dismissal at 1:30pm on:
April 30
May 14
June 7

Please note these in your calendars.

Track Attack
Typically, at this time of year, we begin our track and field learning and practices for all Grades 3-7 students. We are planning to still do this event but with a few changes to make it safe for all. We will be doing our practices only during the school day and students will be staying with their classes instead of breaking up into grade groups as we usually do. We're cleaning any handheld equipment in between stations with an alcohol based cleaner and have added some stations so that all can participate in separate areas. **These sessions will run on Tuesdays and Thursdays between recess and lunch so please send your children with appropriate footwear to run and jump!** As we are not going to be having a district track and field meet, we are still investigating how we can have a school based competitive component for students who wish to participate. More information on that to follow.
