May 3	May 4	May 5	May 6	May 7
	Jumpstart 2:30-4:30		Jumpstart 2:30-4:30	Pro-d Day – no school for students

Summer Learning:

These forms have gone home. If you are still interested in having your child participate in Summer Learning or the Grade 7 Transition program, please have these forms in by early next week. It's still not too late. These are great programs for our children who need to buff up their literacy and numeracy skills and especially for those in Grade 7 who are off to high school next year. The Grade 7 transition program really sets them up for success in high school.

NEW District Early Dismissal dates:

The district has scheduled three more early dismissal dates to help our staff with Health and Safety meetings and updates. We will be having early dismissal at 1:30pm on:

April 30, May 14, and June 7

Please note these dates in your calendars.

Family Groups

In the last few years, we have really enjoyed getting together in our family groups which consist of students from Kindergarten to Grade 7. We have done a variety of both fun and learning activities based on various themes. Obviously, this year, we have not been able to have these family group meetings. We are, however, planning a variety of activities, including Games Day, that will use these groups. We still will not be meeting but the groups will be earning points through upcoming spirit days, Games Day and other activities. **Your child will be coming home on Monday with a slip that tells them their Family Group colour.** When we have these activities, those who participate will accrue points for their family group. A little friendly whole school competition will help us end the year with some fun. The leadership group is working on organizing the spirit days and events, and more information will follow about these.

Please watch for this notice in your child's planner on Monday. There may be a "Family Group colour" day so if your child has a t-shirt in that colour that would be great. Please do not feel you need to go out and buy anything but if you would like to get something and can't afford it, reach out to the office and we can help.

PAC meeting:

April 26th at 6:30 on Zoom

All parents welcome and encouraged to attend. We are going to be in need of new executive members next year so please consider joining this meeting to hear what it's all about. Without a PAC, our school cannot access PAC funds and initiatives that support many of the projects and activities your children participate in at school.

Here are the zoom details:

Topic: Clayton PAC meeting

Time: Apr 26, 2021 06:30 PM Vancouver
