April is Gratitude Month!!

We are declaring April to be Gratitude month. The scientific research on having a habit of gratitude is very clear: people report being happier, achieve more, sleep better, are less stressed and get along better with others. We kicked our month off with an assembly and family group time. In their family groups, each student expressed four types of gratitude: one to themselves, one to a peer, one to an adult or family member, and one to the world. We now have beautiful gratitude family trees in the breezeway and are going to take the month of April to continue to fill up the front bulletin board with all we are thankful for. We are going to make being thankful a habit to continue.

Please feel free to watch the videos we watched at our assembly and talk to your kids about them. I'm also including a few extra videos to watch:

Attitude of Gratitude: <https://youtu.be/Lm9BG712jdY>

Kid President's 25 Reasons to be Thankful: <https://youtu.be/yA5Qpt1JRE4>

Ellen meets motivational speaker Jay Shetty: <https://youtu.be/kCb-b0IVCic>

Gratitude is Good for you: <https://youtu.be/sCV-mEsASLA>

We would love to see some parent gratitudes added to our board. If you would like to participate,

please come to the office for a leaf or two or ask your kids to bring them home!
