Track Attack

Track attack is for our Grades 3-7 students. We will be learning and practicing track and field events all together on Thursdays and Fridays during the school day. After Track attack, students will be chosen to represent the school in our district track and field meet. Those students will be invited to practices for their events according to a schedule. These practices will be either before school, at lunch, or after school. More information to come.

For Track Attack days, please make sure students are wearing proper runners.

Thursdays and Fridays – April 21, 22, 28, 29, May 5
