Winter Break! Dec. 19 to Jan. 3rd

Jan. 4	Jan. 5	Jan. 6	Jan. 7	Jan. 8
First day back to school				

Thank you from all the staff:

The PAC dropped off a bunch of yummy treats to us this week on behalf of all of you. Thank you so very much and thank you to the PAC for all their support!

Another thank you to all families who dropped off individual treats and gifts either for the staff or for us here in the office. These are an unexpected kindness and so very appreciated.

From Mrs. Fenrick:

I just wanted to take a minute to express my gratitude to our Clayton Community. This year has been one like no other. We have weathered all the changes and new procedures with grace and a can-do attitude. Our staff are truly amazing and have undergone enormous stress as they try to keep all of our students safe and healthy. Our parents have been completely supportive and have often expressed their thanks and well wishes to us. These kind messages go so very far, and we thank each and every one of you. Our students are doing such a great job, and this is largely due to the messages you are giving at home.

So, thank you, thank you, thank you. Have a wonderful, restful, fun and family-filled break. Stay safe, stay kind, stay a Cougar. Happy Holidays and Merry Christmas to all.

❤️ Laretta Fenrick, lucky Principal of the best school in Surrey

Message from the Minister of Education:

Please read the following message from our new Minister of Education: [Letter from the Minister](#)

Message from Fraser Health

If there are any exposures in our school community over the break, you will be notified from the following email address:

COVID, Surrey Schools: sysadmin@myeducation.gov.bc.ca.

Please check your junk mail boxes a few times in case a letter goes there. (Let's hope we continue to not need this info!)

Please read the following letter for important information: [Fraser Health Letter](#)

We ask that all our Clayton Families please follow the health guidelines set out by Fraser Health and the BC Centre for Disease control over the holidays. These are the measures that are going to continue to keep our school community safe and healthy with no exposures after the break.

Please see the website for information: <http://www.bccdc.ca/health-info/diseases-conditions/covid-19/about-covid-19/current-situation>
