Thank-you from the Office!!!

Thank-you to all the families who stopped by to wish us a Merry Christmas and Happy Holidays. We truly appreciated the very unnecessary gifts and treats. It was also great to see so many families come to our school Sing Along today. We have such a wonderful community!!!

Tennis:

Every year, we have a school wide PE focus to learn some new skills for a couple of weeks. This year, we are having Tennis lessons through Tennis XL. The team from Tennis XL will be bringing all the equipment and teaching our students the fundamentals of this great racquet sport. A letter will be going home on Jan. 7th asking for \$5 per student to cover the cost. The PAC is generously donating the remainder of the funds needed to bring this opportunity to our students. Please watch for the letter!

Good news!!!

Over the break, the city is going to be changing the signage on 184th street to give us our regular school zone back. We will be keeping the flashing lights, but it will be a regular school zone from 8am to 5pm instead of at specific times. The city is also looking into other improvements such as crosswalks, sidewalks, parking and the southbound

lane on 184th. Please keep your eyes peeled for new signage and lets all do our best to obey the new signs. It is all designed to keep our kids safe.
