Young Actors Project

Divisions 1-10 are taking part in the Young Actors Project. Each participating class will have three sessions with members of the Young Actors Project and will focus on using their imagination, expressing their emotions and will learn about and practice improvisation. This is a whole class activity that is part of the fine arts curriculum. Thank you to the PAC for subsidizing the cost of this opportunity and bringing the cost to parents down to \$8 per student. This is just a reminder to please send in your \$8 asap. Please contact your child's teacher or the office if you need help with these funds. The school has money for those in financial need.
