Health and Safety

A few reminders:

- Please check with your child every morning before sending them to school and keep them home if they are showing any signs of illness – this is the best way we can keep our school healthy and safe for all.
- If you have questions about if you can send your child to school, please refer to <http://www.bccdc.ca/health-info/diseases-conditions/covid-19> website. After reading there, please make your best judgement. The guidelines seem to be changing often so please make this website your go to for current information, rather than the news or social media.
