Westcoast Recess and Lunch

Just a reminder to all families that we do live in a rainy climate and it is winter! Please make sure your children are dressed to go outside rain, shine, temperate or cold. Students need fresh air during the day to help them be ready to learn. We go outside for recess and lunch, even if it is raining. Inside days are called only if it is raining **heavily**. Students are welcome to bring umbrellas and/or wear hats outside. Also, please ensure that your child has a spare change of clothes (pants, underwear, socks especially) to avoid us having to call you if they get soaked or fall down. Research is clear that cold and wet does not cause sickness and it is also clear how important fresh air is for learning. Proper rain gear is important to keep students dry and warm. Thank you for cooperation!

Illness

Another reminder for all families to please call the office (604) 576-6411 to let us know if your child is going to be absent for the day. We do have an answering machine so you can call and leave a message outside of office hours. It is important that we know the reason for the absence so this can be recorded. Also, we have had a lot of students away sick lately. We ask that you keep your children home if they are sick, so we don't spread illness to others. Practicing proper hand washing and getting good rest are both great ways to help prevent the spread of illness.
