Fitness February

For the month of February, our students will be focusing on fitness goals and skills. In gym classes, students will be tracking their individual abilities in various areas such as stamina, whole body strength, leg strength, core strength, arm strength and flexibility and balance. As students reach various goals, they will be given tokens to reward their progress, participation and motivate them. We will also be holding various mini competitions within classes and between classes. Our hope is that all of our children will gain fitness knowledge and increase their physical health.

Valentine’s Day

This year, we are still able to pass out the paper Valentine’s that many children like to do. We are NOT ABLE to attach any treats to them though. Some teachers may be doing small parties in their classes. We have decided to not do the Candy Grams as originally thought of by the Leadership Group as this opens us up to risk that we do not want to have. Thank you again for understanding.

PAC fundraisers:
