### Nutrition at school:

Our Family Group time today was a session of learning about healthy food choices and a kick off for a friendly incentive competition between the families. Ask your child about what they learned about healthy eating today. A copy of the new Canada Food Guide will be going home next week.

Here's an article to help: [Healthy Food Choices](#)

Please remember we are no longer allowing pop or any type of fountain drink at school. Please don't send these with your child or buy them as part of a fast food meal that you are dropping off. See this great article for some insight: [Healthy Drinks for Children](#)

### WE STILL WANT TO HEAR FROM YOU!!!!!!

We are still accepting parent surveys, please feel free to keep sending them in. Draw tickets are not necessary.
