Games Day today

What a fantastic time we had!!! The students did a fantastic job and had a lot of fun. A video will be put out next week so you can see all the fun we had.

Canada Remembers day

For our upcoming spirit day on June 16th, we are going to remember and honour our Indigenous Peoples as proud Canadians. We ask that students wear all their red and white to show their Canadian pride as well as their orange button memorial badge. One of the reasons I am proud of being Canadian is that

we are a country where many people are fighting for remembrance and reconciliation. It will be through education that we learn to be better, be different, and accept and welcome all people. Let's see a sea of red, white and orange on Wednesday!

Young Entrepreneur's Sale

Division 1, 2 & 3 have been working through a program called Power Play Young Entrepreneurs. These classes will be selling their products in a covid-safe way outside on **June 22**. We invite students to bring money that day if they wish to shop! Products range in price from \$0.50 to \$5. Please make sure your child has no more than \$20, we do not want students to come with large sums of money. A percentage of the money raised will be sent to a charity of the classes' choice.

Please send the money in small denominations like quarters, loonies, and twonies.

PAC meeting – June 14th – 6:30pm

This is a special meeting to solely invite and elect your new PAC executive. If you are interested – and I've heard many of you are! – in taking on an executive role next year, please join us.

Here are the Zoom details:

Students born in 2009 or earlier are now eligible to register on the B.C. COVID-19 Immunization website

Registration is now open for students between [the ages of 12 and 17 to receive their first dose of the COVID-19 vaccine](#). On Thursday afternoon the province announced that children born in 2009 or earlier (12 and older) can register on the [B.C. COVID-19 Immunization website](#). The goal is to have students vaccinated by June 30, with second doses by Aug. 30.

To register, fill out your child's information at getvaccinated.gov.bc.ca, available 24/7 or call 1-833-838-2323 between 7 a.m. and 7 p.m. any day of the week. You can also register in-person at any Service BC centre. After registering, you will receive a text, email or phone call when it is your turn to book a vaccine appointment. Don't expect to book an appointment the same day you register.

Once you have registered and have received your booking invitation, please do not delay booking an appointment. Bring your child's Care Card to their appointment. If your child does not have a personal health number, you can register by phone at 1-833-838-2323.

Booking invites will be sent to those who are older first, and most appointments will take place at the same immunization clinics used to vaccinate people in other age groups. Household and group vaccination options are also available. For more information, visit fraserhealth.ca/vaccine
