Year-end Report Cards:

With the unusual time we are in, summative (year-end) reports are going to look quite different and more abbreviated. Heavy emphasis will be placed on evidence of learning before spring break with comments more on efforts and engagement in learning after spring break. Thank you to those students have completed their self-assessment.

Students will be invited to come in on Thursday, June 25th (our last day) to say good-bye to their teachers and pick up their report cards. Teachers will be available from 9am – noon and 1pm -2:30pm in either the playground area or their classrooms for students to come and say good-bye and pick up their reports. All reports not picked up will be mailed.
