Games Day – June 11

- Wear your family colour – get those points!
- Classes will be going from station to station together with their teacher.
- We will be hand sanitizing between stations to ensure health and safety.
- Students will be having a bit of a later lunch (12:15 – 1pm)
- No parents are allowed to attend but we will send home a video to show you the event!

Young Entrepreneur’s Sale

Division 1, 2 & 3 have been working through a program call Power Play Young Entrepreneurs. It is a program where they learn to develop and design products, make a business plan, do market research, learn about advertising, and eventually selling. This is a great program that gives students real life experience in product development and sales.

These classes will be selling their products in a covid-safe way outside on June 22. We invite students to bring money that day if they wish to shop! Products range in price from \$0.50 to \$5. Please make sure your child has no more than \$20, we do not want students to come with large sums of money. A percentage of the money raised will be sent to a charity of the classes' choice.

PAC meeting – June 14th – 6:30pm

This is a special meeting to solely invite and elect your new PAC executive. You are interested – and I've heard many of you are! – in taking on a executive role next year, please join us.

Here are the Zoom details:

Passcode: gyJJ19

Grade 7 farewell

- June 23rd – 9am
- Ceremonies will be filmed and sent to parents – We are so sorry parents are not able to attend this special event.

Last day of school for students – June 24th

- Early dismissal is officially 1:30pm
- Formal programming will be complete and report cards will be ready by the beginning of lunch (11:45). We invite all parents to pick up at 11:45 but teachers will be in their classes for those students who remain until 1:30pm

Students born in 2009 or earlier are now eligible to register on the B.C. COVID-19 Immunization website

Registration is now open for students between [the ages of 12 and 17 to receive their first dose of the COVID-19 vaccine](#). On Thursday afternoon the province announced that children born in 2009 or earlier (12 and older) can register on the [B.C. COVID-19 Immunization website](#). The goal is to have students vaccinated by June 30, with second doses by Aug. 30.

To register, fill out your child's information at getvaccinated.gov.bc.ca, available 24/7 or call 1-833-838-2323 between 7 a.m. and 7 p.m. any day of the week. You can also register in-person at any Service BC centre. After registering, you will receive a text, email or phone call when it is your turn to book a vaccine appointment. Don't expect to book an appointment the same day you register.

Once you have registered and have received your booking invitation, please do not delay booking an appointment. Bring your child's Care Card to their appointment. If your child does not have a personal health number, you can register by phone at 1-833-838-2323.

Booking invites will be sent to those who are older first, and most appointments will take place at the same immunization clinics used to vaccinate people in other age groups. Household and group vaccination options are also available. For more information, visit fraserhealth.ca/vaccine
