Thank you!!

Last week was a challenge for all of us as we received our first exposure notification. I want to sincerely thank all the parents for reaching out with questions, expressions of concern for the staff, well wishes for all us, and patience and understanding as we navigated new territory for us. Our staff have handled the situation with the same grace and support as they do everything. Our Cougar Community once again showed its amazing nature. Thank you, Cougar families. If you have any further questions or concerns, please don't hesitate to call or email. Our school remains as safe as ever with all protocols and cleaning in place. One more week til, Spring Break! I know we can all use the rest.

PAC Fundraiser:

Veronica's Perogies and Raise the Funds foods orders to be handed out Wednesday in the undercover area – please keep your distance and wear your mask!

Term 3

I can't believe we are already in the home stretch of this year. Our staff will be using our Mar. 29 staff meeting to plan the rest of the year and again figure out how we can do the typical year end events such as track and field, sports day, and our Grade 7 leaving ceremony. These are events that we do not want to let go of; we just need to figure out ways around it. The next few months also bring us a variety of stat holidays and pro-d days so please keep an eye on the calendar.
