Healthy Living Family night May 23rd – 6:00-7:30

With support from the Healthy School Initiative through Fraser Health and the Surrey School District, we are excited to tell you about Healthy Living Family night. **See the flyer attached** – it is promising to be a FUN-FILLED evening of learning about healthy living for families. Please join us!!!

Weather

It is sunny and beautiful out!!! And, HOT. Please ensure that your children are coming to school dressed appropriately for the heat with layers in case they get chilly. Students can also have hats on outside and should come to school with sunscreen already on. Please also make sure that students have a water bottle at school so they can keep hydrated.

Thank-you!!!

To all those families who came out to either volunteer or drop off bottles at the bottle drive last weekend! It was a huge success, raising over \$900 for our PAC. The PAC is going to use this money to purchase sports and recreation equipment for the children to use outside at recess and lunch. A special thank-you to the PAC members who organized this event.
