[Dr. Sandra Clark](#) is coming to speak to parents about anxiety. This is a free workshop for parents as we were the recipients of a grant through [Anxiety BC](#). Dr. Clark is the author of an amazing resource called Taming the Worry Dragons which I have used with children in the past. Please click the links to learn more information but we're hoping that this workshop is well attended for this very important topic. If you have not RSVPed, here is the link to do so: <https://goo.gl/forms/hiMTkqhfmSqU1QI22>

Class Placement requests for 2018-2019

Here is the link for parents to provide information on what they feel is the best learning environment for their child for the upcoming 2018/2019 year. <https://goo.gl/forms/rXLgYTjiKpQqSJSy2> It is completely optional and while we do our best to accommodate parent requests, class placement is a complex process and there many factors to consider. We do our very best to place all students in the learning environment that is optimal for them.

PAC meeting - Wednesday, May 16 at 6:30pm in Room 1

Election time!!

Many hands make light work. Please come to the PAC meeting to nominate and elect your PAC executive for the 2018/2019 year. Coming to PAC meetings gives you information about what is happening in the school and a voice in decision making. All parents are part of the PAC while the PAC executive handles more specific duties. Even if you don't want to be part of PAC executive, please still consider coming to as meetings as you can.
