### Parent Appreciation morning:

We hope you enjoyed your coffee/tea and treats this morning brought by our staff. We want to say a huge THANK-YOU to all our parents for the numerous things you do: driving and supervising on field trips, reading with students, volunteering in classrooms and generally being supportive. Thank-you. We hugely value the relationship we have with our parent community.

### Track Meet:

We are looking forward to having 40 our Clayton Cougars represent our school at the Track meet on Tuesday. Our hope is that we have a great attitude, try our best, cheer on our fellow athletes, and have a great time. We are going to try our hardest to win the Sportsmanship award!

### Michael Bortolotto:

We had an amazing speaker come to the school this last Wednesday. Michael spoke to all our students in three different age group presentations on friendship, social inclusion, and accepting differences. His main message to our students was to be open to all, to look past what might look different on the outside, ask questions to get to know people, and let other people in to our lives. The students appeared to have been truly and positively impacted by his talk. I've already had multiple parents comment on how their children came home and shared their learning. Please ask your child what they learned from Michael and what they thought of the ideas. Please see [www.postiverebel.ca](http://www.postiverebel.ca) if you would like more information.

### Reminder – We need your ideas!:
